# HUDSON'S POLLED SHORTHORNS

THURSDAY,  
NOV. 21, 1957

S. B. HUDSON & SON  
KNOXVILLE, IOWA

# *Invitation*

We wish to extend a cordial invitation to all friends of Shorthorns, both Polled and Horned, to be with us at our reduction sale, Thursday, November 21, 1957, in Knoxville.

Conditions make it necessary that we reduce our herd very drastically and we are selling all of the younger part of our cow herd as well as the females from the last two calf crops.

These cattle are selling right off the pasture with no fitting and part of the cows will be thin. We think the calves will speak for themselves as to the producing ability of the cows. The sale wasn't planned far enough in advance to get pictures of the cattle selling, so we are using pictures from our 1956 sale of cattle that are closely related.

With cattle numbers going down it looks like a very good time to expand or establish a beef herd, if the feed and help are available to properly care for them. These cattle have been good to us and we feel sure they will be a profitable investment for their new owners.

The horned cows that we are selling are cows that we purchased to infuse some of the later imported breeding into the herd.

Information as to service sires and breeding dates will be announced from the block. We will be glad to furnish any further information if you will just telephone or drop us a card.

We are using no footnotes except for the factual information necessary.

Catalog Lithographed By MWM Color Press, Aurora, Mo.

7. We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.
